Reviews & Testimonials

Shashi Kumar

Professional Utilities has helped us in urgent requirement for one of our shipment for import. We have taken services of Import export code registration, AD Code registration & LMPC Certificate. They are simple and straightforward. I couldn't be more happier with their services.

Abhay Ankit

I appreciate the responses and affordable service fee. I have tried services 5 times and my trust for PU gets stronger.

Thank you so much for timely response. Hoping for the same in coming days too.

Zubair Salmani

Team is responsive and polite understand my issues regarding GST registration and return filing and complete the job. Good job

Arun Ghosh

I had conversation with the director of the company to understand the complete process of AD Code registration and other export matters. I loved the services and looking forward for the long term partnership

Bhuwan Kochhar

The service provided by Professional Utilities was exceptional. They were able to address my needs quickly and effectively, and their pricing was very reasonable. Got my NGO registration done very easily.

Deepak Agrawal

Highly professional & efficient team. Go for them guys! Trustworthy, Credible & Value for money. Facilitated LMPC Certificate at cheapest price of all with their topnotch service.

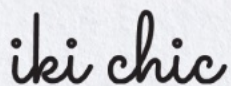

Rishabh Jain

They stand by their name. Extremely professional and trust worthy. We got our IEC license and LUT within 2days. Highly recommended.
